WORK EXPERIENCE

Intern

Oct 2024 - Nov 2024

Shyampari Edutech

Pune, Maharashtra

- Developed and maintained the brand's website using **React**, optimizing for SEO through semantic **HTML**, meta tags, and performance improvements—resulting in a **17%** increase in organic traffic and a **20%** boost in overall online reach.
- Assisted in launching Shyampari Medtech, supporting operations, market research, and platform setup.

PROJECTS

Gmail Clone

| [Code Live](#)

- Developed a fully functional Gmail-inspired email client with a focus on the frontend, using **React.js** and **React Router** for dynamic navigation.
- Integrated **Firebase Authentication** for secure user login and signup, while utilizing **Firebase Firestore** as the backend database to store and manage emails.
- Utilized **Redux** for state management, ensuring smooth UI updates and real-time changes in the inbox and compose functionalities.
- Styled the user interface using **TailwindCSS**, achieving a responsive, modern design closely mirroring Gmail's UI.

Yder

| [Code Live](#)

- Built a YouTube video and audio downloader using **Express.js**, and **Node.js**, achieving **30%** faster downloads with optimized request handling.
- Designed a **locally hosted** system, reducing server load and ensuring seamless media retrieval.
- Developed a responsive UI, enhancing user experience and ease of use.

Formedusite

| [Code Live](#)

- Developed an EduTech website using HTML, TailwindCSS, and JavaScript with a structured, multi-page layout.
- Integrated **Formspree API** for contact forms and implemented a functional login/signup system.
